NOTES

- POL FOC: Political science requires students to take select courses in three out of four possible fields of concentration. Fields of concentration (FOC) courses are clustered by topic: American Politics, Comparative Politics, International Relations and Political Theory.

- This is a sample program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.

- Students are strongly advised to work with an academic counselor to determine a personal program plan.

This sample schedule:

- *meets CL&S minimum 180 unit requirement for graduation
- *meets CL&S 64 unit requirement for upper division courses (80 UD in this model)
- *meets Political Science major requirements
- *meets GE unit requirements (87 units total)
- *meets English Comp requirement
- *meets CL&S 15 unit requirement for foreign language

It does not include:

- *specific recommendations for fields of concentration (FOC) courses
